Lic Cristobal Marte Hoffiz

Presidente NORCECA / **NORCECA President**

El Lic. Marte expresa que la comisión de mercadeo es una comisión bien compleja por la región en que se encuentren los países de NORCECA. Sin embargo, existen muchas oportunidades como se ha demostrado en República Dominicana, que a pesar de ser un país sub-desarrollado se ha logrado una estrategia de mercadeo increíble. Lo importante es tener un producto que se pueda mercadear y a la vez convertir en una marca. Es la oportunidad que tenemos con los eventos de Voleibol y Voleibol de Playa. / **Mr. Marte expresses the marketing commission is a very complex commission because of the region NORCECA countries are located. However, there are a lot of existent opportunities such as was the case with the Dominican Republic, which despite being an under developed country has accomplished an incredible marketing strategy. Hay mucho espacio para lograr patrocinadores en NORCECA. No solo tiene que ser un beneficio en dinero, NORCECA tiene contratos con patrocinadores que intercambian uniformes, utilería deportiva a cambio de publicidad. Aunque por supuesto por el hecho de que NORCECA es una institución social con una causa social, habrá patrocinadores que podrán tener un impacto económico positivo. / ***There are a lot of opportunities for NORCECA to obtain sponsors. Hay que buscar la manera de apoyar países cedentes de eventos con su estrategia de mercadeo. Puede ser mediante su presencia virtual, puede ser que un representante de la comisión de mercadeo viaje a la Federación Nacional y brinde apoyo de manera presencial.
