City: Gros Islet

Venue: Pigeon Point

Country: ST. Lucia

Event: Round three of the Continental Cup

Date: Sunday 29th May 2016

Day 3 third round of the 2016 Continental Cup

Costa Rica wins round three championships

Nicaragua dominated Trinidad and Tobago in a one sided affair, with a score of 3:1. Not missing a beat from last night Nicaragua was very consistent with defense and offense. Trinidad and Tobago opened their account by winning the first match. Many of their "mountain top" slams and blocks would have made the high light reel. Trinidad and Tobago made a valiant effort to remain a force in the game unfortunately unforced errors derailed their road to success.

The United States Virgin Islands recomposed themselves and stunned El Salvador in their tracks with a score of 3:1. ISV teams one and two, played with a plan as they pushed most of their hits deep on the court. Their defense was just good as they outthustled their opponents. While El Salvador was close on several occasions, they did not close the deal.

Hurting from an earlier defeat, El Salvador found some redemption when they defeated Trinidad and Tobago with a score line of 3:1. As has been their custom during this tournament, Trinidad and Tobago won the first game but suddenly lost all momentum. Trinidad became inconsistent and bled some points. El Salvador showed poise en route to victory.

St. Lucia racked up a victory as they defeated Surinam with a score of 3:2. After being pushed to the "Golden set" St. Lucia's Julian Bisette / Joseph Clercent out foxed their opponents and provided some stout defense and hitting to back it up. Surinam did not acquiesce but fought to the very end, especially Keven Sporkslede / Vliet Antoine.

Mission oriented Nicaragua withstood the stern challenge from the United States Virgin Islands to win 3:2 (Golden Set Score 15:12). Both teams were superb in their efforts to win with solid offense, defense and some guile. The crowd was enthralled by the many diving saves the teams used to stall their opponents. However, as fate would have it, Nicaragua squeezed out the much sort after victory.

Champions Costa Rica used a combination of power and guile to blast a resilient Guatemala from the sand with a score of 3:0. Knowing the enormity of the game, Guatemala played like there was no tomorrow. Unfortunately the stingy defense of Costa Rica did not rescind any pressure as they covered and dug any thing that came over the block. The entire game was a display of high quality beach volleyball skills. AFECAVOL, CAZOVA and the ECVA would be very proud of the quality of games exhibited by all participants.
