Coaches comentan sobre metas y chances de sus equipos en Final Six

SANTO DOMINGO, República Dominicana, 4 de agosto de 2022 – En la víspera del inicio del Torneo Final Six Femenino, todos los entrenadores expresaron sus opiniones sobre las posibilidades de victoria de sus equipos en las competencias diarias.

Durante la tradicional inspección de los participantes, los directores técnicos se reunieron con el departamento de prensa de NORCECA, organización a cargo del evento.

Marcos Kwiek, entrenador de República Dominicana: Nosotros vamos a aprovechar el torneo para seguir la parte de preparación final con miras al Campeonato Mundial que es el evento más grande que nos toca este año. En esta Copa somos sede y las expectativas son por lo menos llegar a la final y discutir el oro. Somos los actuales bicampeones de esta competencia pero esto es deporte y todos los equipos vienen a lo mismo, lo que puedo asegurar es que jugaremos para ganar todos los partidos.

Carolyn O'Dwyer, entrenadora de Canadá: Creo que estamos muy emocionados de que sea un equipo bastante similar al que tuvimos en la Copa Panamericana, así que realmente estamos buscando ver cuánto podemos mejorar en nuestro desempeño allí. Estamos compitiendo con equipos muy fuertes, así que veremos cómo lo hacemos para llegar lo más lejos posible.

Tomás Fernández, entrenador de Cuba: Nuestro objetivo principal era clasificarnos a los Juegos Centroamericanos ya lo logramos en Hermosillo lo que queremos conseguir en este torneo es que Cuba pueda acercarse lo más posible al pódium y tratar de mejorar en el ranking panamericano.

Rafael Petry, entrenador de México: Va a ser una competencia dura, sabemos que los equipos están bien preparados nuestro objetivo aquí es estar nuevamente peleando por medalla no será fácil pero trataremos de representar lo mejor posible a México.

Fernando Morales, entrenador de Puerto Rico: En este torneo, nuestro objetivo es ganar una medalla. Venimos de un receso ya que la Liga Puertorriqueña se jugó en el verano y terminó hace tres semanas, entonces les dimos un respiro a las chicas porque lo necesitaban. Solo tuvimos tres sesiones de entrenamiento antes de venir aquí, pero también estamos usando esta competencia como preparación para la Copa del Mundo. Estos juegos nos van a ayudar mucho y esperamos estar en nuestra mejor forma al final del torneo.

Michelle Chatman, entrenadora de Estados Unidos: Esperamos que nuestro equipo juegue con mucha pasión y mucha emoción, por lo que esperamos que nuestros mejores jugadores jueguen bien. Creo que todos los equipos que compiten aquí son muy buenos, todos entrenamos duro, por lo que será muy divertido llevar a los equipos a la cancha y competir.

Coaches comment on their goals and teams' chances at Final Six

SANTO DOMINGO, Dominican Republic, August 4, 2022 – On the eve of the start of the Final Six Women's Tournament, all of the coaches expressed their opinions of the winning chances of their sides of the daily competitions.

During the traditional inspection of the participants, the technical directors met with the press department of NORCECA, the organization in charge of the event.

Marcos Kwiek, coach of Dominican Republic: We are going to take advantage of the tournament to continue the final preparation part with a view to the World Championship, which is the biggest event that we have this year. We are the venue and the expectations are to at least reach the final and discuss the gold. We are the current two-time champions of this competition but this is sport and all the teams come to the same, what I can assure you is that we will play to win all the games.

Carolyn O'Dwyer, coach of Canada: I think we are really excited that it is a pretty similar team that we had at the PanAm Cup so we just really looking to see how much we can improve on our performance there. We are competing with very strong teams so we will see how we do to get as far as possible.

Tomas Fernandez, coach of Cuba: Our main objective was to qualify for the Central American Games and we achieved it in Hermosillo. What we want to achieve in this tournament is for Cuba to get as close as possible to the podium and try to improve in the Pan American ranking.

Rafael Petry, coach of Mexico: It will be a tough competition, we know that the teams are well prepared, our objective here is to be fighting for a medal again, it will not be easy, but we will try to represent Mexico as well as possible.

Fernando Morales, coach of Puerto Rico: In this tournament, our goal is to win a medal. We come from a break as the Puerto Rican League was played in the summer and ended three weeks ago, so we gave the girls a break because they needed it. We only had three training sessions before coming here, but we are also using this competition as preparation for the World Cup. These games are going to help us a lot and we hope to be in our best shape at the end of the tournament.

Michelle Chatman, coach of United States: We expect that our team plays with a lot of passion and a lot excitement and so we are expecting our players to play well. I think that all of the teams competing here are in very good shape; we all trained hard so it is going to be a lot of fun to play the teams on the court and compete.
